

COMMUNITY RELATIONS COMMITTEE

July 2009 through April 2010 Report

The Prairie Garden Celebration was held last July.

The Community Night Out was held in August. There were many residents that attended the event. We had the canine unit from Kalamazoo Public Safety, which was very interesting. Also present were the Chief of Kalamazoo Public Safety and the Kalamazoo City Manager.

We switched the horse drawn wagon to the Oktoberfest instead of the Holiday Party. There was a lot of positive response to the change.

Last year we brought back the children's Halloween Party.

At the October meeting it was decided to combine the Pool Opening Party with the 40th Anniversary Party.

The Holiday Happy Hour was well attended despite the bad weather.

The committee was informed that Goodwill Industries would like to be able to pick up used clothing or furniture in Parkview Hills. It was decided that they would let the clubhouse know when they will be in the area and it will be posted in the Warbler along with a number that residents can call.

The upcoming events for this year:

- 40th Anniversary Celebration June 1-5
- National Night Out Wednesday August 4, 6-8
- Garage Sale Saturday August 21, 8-2
- Oktoberfest Wednesday October 6, 6-8
- Halloween Party (Children) Saturday October 30, 2-4
- Holiday Happy Hour Thursday December 16, 6-8
