

Parkview Hills Trails Management Committee

MINUTES OF October 7th, 2010, MEETING OF the Trails Management Committee

DATE AND TIME: October 7th, 1010 at 8:00 A.M.

CALLED BY: Jim Gunderson, Chair

PRESENT: Residents: Jim Gunderson, Ron Tanis, Scot Stromsta, Roger Greeley, Art Falk, Doug Vernon
PVHM: Scott Vandeboss, Robin Denney

OLD BUSINESS

Trail Stations Update

Mark Shipley, of Mark Creative, who is working on the new trail station signs, will have one ready for the committee this fall. We will notify you when it is available to view at the clubhouse. The rest of the signs will be completed next year.

Boat Park Update

No brush was taken out this year, but a stump was removed. There has been significantly less vandalism in 2010. There will need to be a new registration form made for next year's boat park users.

Trail Trimming with the New Chipper

We have tried out the new chipper on the trails and it works great. Scott will be doing more trimming this fall after the leaves are down.

Adopt-A-Trail

We discussed the responsibilities of an adopt-a-trail volunteer. After some discussion, we agreed that keeping track of various adopt-a-trail volunteers would be an administrative burden. Instead, we will develop a responsibilities list of what volunteers can do on our trails. For example, pick up trash, notify the clubhouse of downed trees / branches, pickup small branches from the trail, etc.

Scott will develop such a list of responsibilities and we will make available at the clubhouse for hand out should someone want to volunteer.

Recycling Area Update and Proposal

Proposal that the apartment structures have their own recycling unit. The benefits of this would be less traffic at the main recycling area, increased usage, and less noise. A local PVH resident is working on this plan. When she has something available, we will be able to provide input.

NEW BUSINESS

Beach Clean-up Plan

Need to do an assessment at the next spring meeting. Jim G., Scott V. and Scot S. will take a look at the area in the spring and make a recommendation to the committee.

Meeting adjourned at 9:00 A.M.
