

The Little Warbler

Parkview Hills Community Association

April 2010

April Artist of the Month Honore Lee

Artists' Reception

Friday, April 16, 6:00 – 8:00 p.m.

Born in Grand Haven, MI, and raised in both Michigan and Iowa. Honore has traveled extensively throughout the U.S., Canada, Europe, Mexico, and the Caribbean. Being married with two sons, and a volunteer with Kalamazoo Public Schools, Housing Resources Inc., Big Brothers and Big Sisters—along with being a member of the Arts Council of Greater Kalamazoo, the Kalamazoo Institute of Arts, the Western Michigan Alumni Association, Amnesty International, and the Kalamazoo Film Society makes for a very busy and fulfilling life!

The Honore Lee Art Studio located right here in Kalamazoo, MI has been the full time operating studio of this self-employed artist since 1995.

Honore Lee's collection, *Gathered Images*, will be on display at the Willow Lake Gallery all throughout April, free and open to the public.

40th Anniversary Party Just around the Corner!

Banners should be up and flapping by May 1. And in just over two months, on June 5th, the big community picnic will be upon us. The kids' games are organized. Author Barbara Walters is planning one last book-signing. The clowns will be there for sure. The WMU jazz band is set to entertain us. The well-known speakers have their remarks in mind. The only thing we will need on June 5 to complete the picture is you! Make an early reservation by calling 372-4444.

M O M Mind-Over-Matter. An *introductory* session will be held Monday, April 12 at 8pm, Sharp! FREE! You can learn how to use self-hypnosis for self-improvement. A description of the program is available from Robin and Crystal in the Clubhouse office. Your Mentor, is Roger Greeley, who has done the program at Parkview since 2000 under its former name: PSR.

The Prairie Garden

Is now certified as a monarch butterfly way station. Monarch Watch, a conservation organization that works to conserve habitat in the U.S. for monarchs, has responded favorably to our application. Look for more information to come in May!

EARC Opening!

Gary Niemeck has retired from the Environmental and Architectural Review Committee, thus creating an opening. If you are interested, please complete an application—available at the clubhouse or on parkviewhills.net
