Parkview Hills Community Association

August 2009

August Artist of the Month Gregg McChesney

Artists' Reception

Friday, August 14, 6:00 – 8:00 p.m.

This is a compilation of art pieces over the last eight to ten years with the common theme of mixed media painting. Various paintings within this group may seem edgy to the viewer. This wasn't a goal that I had in mind when I created these paintings. I believe this edginess may have happened in these works due the fact that my surroundings may have produced this type of emotion. Of course it's happening to a lot of people these days due to the economy and an uncertainty about the future. But hopefully the viewer doesn't come away feeling too edgy, but instead tries to grasp something that may interest them in these works.

I should also add that my wife and I took a trip to Maui for our anniversary and visited Lahaina and found an art gallery with figure torsos made of window screen. This gave me the idea of creating small figures made of window screen for some of these mixed media pieces."
